

GLASS SHINE

WORKSAFE, ECO-FRIENDLY CLEANER

Organic Glass and Mirror Cleaner

Triple7 Glass Shine is a high-performance, organic glass and mirror cleaning solution that leaves surfaces clean, polished and streak free without using toxic chemicals.. It is the ideal cleaner for:

- Mirrors
- Windows
- Glass
- Instruments
- Photo cells
- Lenses
- Delicate crystal glasses

The product is free of caustics, petroleum and ammonia, as well as ozone-depleting chemicals including hydrocarbons.

Triple7 Glass Shine is highly-concentrated, so a little goes a long way. One litre of Triple7 Glass Shine makes at least 10 litres of ready-to-use product.

KEY SAFETY & ENVIRONMENTAL BENEFITS

Replaces Toxic Products

Non-toxic, contains no carcinogens. Creates healthier and more pleasant working environments.

No Hazardous Ingredients

Improves and simplifies workplace safety. No special storage, transportation, usage or disposal required.

Reduces Cost

Highly-concentrated and effective product ensures less inventory requirement over time.

Readily Biodegradable

Greater than 70% of total ingredients are biodegradable within 28 days.

GLASS SHINE

WORKSAFE, ECO-FRIENDLY CLEANER

Safe and effective cleaning

Triple7 Glass Shine is bio-based product and has a neutral pH level and a pleasant odour. It cleans and polishes without streaking and reduces static electricity. It is a high-performance, non-toxic, and readily-biodegradable product.

Product benefits

- Cleans and polishes without streaking
- Will not etch glass surfaces
- Does not harm elastomers, gaskets or seals
- Reduces static electricity build-up
- No strong fragrance
- Non-toxic and readily-biodegradable

Directions for use

Triple7 Glass Shine is applied through a spray bottle or may be added to a wash bucket. The product can also be sprayed onto a cloth for wiping delicate surfaces and used as a soaking solution for instrument components. The recommended dilution is 1:10 with water; however, a more dilute solution may suffice in some applications.

Part No #	Description	Size
AAGS-5	Triple7 Glass Shine	5 Litre
