

# METALLIC TOUCH

HIGH PERFORMANCE, NON-CORROSIVE BIO-BASED  
VEHICLE & HEAVY EQUIPMENT WASH

## What is Triple7 Metallic Touch?

**Triple7 Metallic Touch** is a completely bio-based vehicle & equipment wash, especially formulated to efficiently clean vehicles and heavy equipment.

**Triple7 Metallic Touch** removes dirt, grime, insects & bird droppings and leaves surfaces clean and shiny without using toxic or harsh chemicals.

**Triple7 Metallic Touch** is formulated from non-ionic surfactants and is a natural oil/water separator, and because **Triple7 Metallic Touch** is free of toxic chemicals, it improves the quality of wash-down water for re-use systems.

## A POWERFUL ORGANIC LIQUID THAT...

**100% Plant based and Biodegradable**

**Enhances fleet appearance and does not fade paintwork**

**Safe for users, vehicles and the environment**

**Improves quality of effluent for water re-use systems**

**Contains NO acid, caustic or corrosive ingredients**

# METALLIC TOUCH

HIGH PERFORMANCE, NON-CORROSIVE BIO-BASED  
VEHICLE & HEAVY EQUIPMENT WASH

## Triple7 Metallic Touch is free of

- Caustics
- Phosphates
- Strong acids
- Petroleum products
- Terpenes
- Glycol ethers
- Ammonium compounds & oxalic acid
- Lauryl sulphates

## Effective

**Triple7 Metallic Touch** removes the toughest deposits, it has good foaming and is not affected by water hardness.

## Safe for paintwork & metal surfaces

**Triple7 Metallic Touch** is non-corrosive and free of harsh chemicals. It removes dirt, insects, and grime from virtually any surface without damaging paintwork, glass, plastic or metal surfaces.

**Triple7 Metallic Touch** leaves surfaces clean and shiny without using waxes or synthetic shining agents.

## Simple to use

**Triple7 Metallic Touch** may be used on all surfaces including paintwork, canvas, windows & mirrors, chrome, stainless steel, vinyl & plastics. Only one product required for all applications... it's that easy.

1. Rinse down with water
2. Spray on **Triple7 Metallic Touch** as a foam or apply with brush or mop
3. Allow to stand, scrub if necessary
4. Rinse free / wash down with water

Part No #	Description	Size
AAMTOU-5	Triple7 Metallic Touch	5 Litre
AAMTOU-20	Triple7 Metallic Touch	20 Litre
AAMTOU-200	Triple7 Metallic Touch	200 Litre
AAMTOU-BB	Triple7 Metallic Touch	1000 Litre

## Enhances oil/water performance

**Triple7 Metallic Touch** is highly concentrated, so lower dilutions are needed. It keeps vehicles & equipment cleaner, longer. **Triple7 Metallic Touch** is quick & easy to apply, saving you labour costs. **Triple7 Metallic Touch** can be flushed with water through sewage systems, reducing costly disposal & trade waste costs. (Subject to Government regulations).

## Environmentally responsible

**Triple7 Metallic Touch** is readily biodegradable and is made from renewable resources. It is free of toxic & hazardous chemicals and has no special handling and storage requirements.

**Triple7 Metallic Touch** contains non-ionic surfactants and is a natural oil/water separator.

**Triple7 Metallic Touch** reduces odours and is free of inorganic salts and does not add to salt loadings in water re-use systems.

## Train carriages cleaned
